**Re: Lockheed Martin Corporation, et al. v. MTA, et al.  
Nos. 09 CV 4077 and 09 CV 6033(PGG) (GWG)**

Dear Judge Gardephe:

Our firm is counsel to Plaintiff Lockheed Martin and co-counsel for the Surety Plaintiffs. We write to request leave to file a memorandum of law in opposition to Defendants Motions in Limine that exceeds Your Honor's twenty-five page limit for opposition. We respectfully ask permission to file an opposition memorandum of law not to exceed sixty-five pages.

Defendants have moved to prevent introduction into evidence of nine separate categories of documents and declarations of three Lockheed Martin witnesses including two experts and a witness on damages. Lockheed Martin's memorandum will include its opposition to all nine branches of Defendants' motion. The issues raised by Defendants lack merit but to explain why cannot be done in twenty-five pages due to how Defendants' structured their motion.

Thank you for considering our request.

Respectfully,

Michael Chartan
